Discount of Payment

Our office policy is that our full fee is discounted, due to providing payment at time of service (for example, reduced from \$150.00 to \$125.00 for an hour of psychotherapy).

The policy is to charge the full fee (for example, \$150.00 compared to \$125 for an hour of psychotherapy), if payment is not received at the time of the appointment.

Please be sure to bring a form of payment (check, cash, money order to each appointment, in order to receive the discounted rate for service). We also accept Square payments for credit, debit, or flex cards for your convenience. If payment is not received at the time of service, the discounted amount will not apply.

Thank you for your understanding and for your trust in our care.

With appreciation,
